#### Purpose

The purpose of this SOP is to outline the Clinical Research Enterprise lab kit destruction policy.

#### References

- 

#### Scope

This SOP applies to all members of the CRE staff.

#### Allowable Exceptions

This SOP is meant to be followed without deviation unless otherwise specified by sponsor.

#### I. Lab Kit Destruction

- Destruction of lab kits will occur at point of expiration or study closure unless otherwise specified by study sponsor. All sharp objects will be removed from kits and placed in sharps container. Any tubes will be discarded in medical waste. All other materials will be discarded in the standard garbage receptacle.
